

Quantitative Systems Biology

3 Nov 2017

Invited Speakers

M. Madan Babu (MCR, Cambridge)
Charlotte Dean (University of Oxford)
Alexander Fletcher (University of Sheffield)
Carole Proctor (Newcastle University)
Peter Swain (University of Edinburgh)

King's College London
Strand Campus
WC2R 2LS

QSB2017 is a student-led workshop. The meeting focuses on theoretical and computational models for processes that lead to and techniques that prevent diseases and genetic disorders.

Talks by invited speakers and a poster session for selected participants.

Organisers: Ryan Hannam, Rosa Hernansaiz, Edgar Herrera, Kirsten Jenkins, Alistair Jones & Irene Marzuoli
